## **teaching**

- Spring 2017,  
Spring 2018 **Human Factors in Computer Security and Privacy** Brown University  
Instructor for a module on “user interfaces for security” as part of the Executive Masters in Cybersecurity program. Duties included course design and development, grading assignments and exams, supervising thesis projects, and holding office hours.
- Fall 2007 **Information Security & Privacy (46-861)** Carnegie Mellon University  
Teaching assistant duties included developing course materials (topics for lectures, assignments, and exams), grading assignments and exams, holding office hours, and mentoring students about semester-long projects.
- Spring 2006 **Computers and Society (15-290)** Carnegie Mellon University  
Teaching assistant duties included giving guest lectures, creating assignments and exams, grading assignments and exams, holding office hours, and mentoring students about semester-long projects.
- Fall 2003 **Information Security (CS 451)** University of Virginia  
Teaching assistant duties included giving guest lectures, creating assignments and exams, grading assignments and exams, and holding office hours.
- Fall 2003 **Intellectual Property (TCC 200)** University of Virginia  
Teaching assistant duties included grading assignments and holding office hours.
- Spring 2003,  
Spring 2004 **Advanced Software Development Methods (CS 340)** University of Virginia  
Teaching assistant duties included grading assignments and exams, and holding office hours.
- Fall 2002 **Engineering Software (CS 201J)** University of Virginia  
Teaching assistant duties included grading assignments and holding office hours.
